

FIG. 1 is a block diagram of a wireless communication system 100. The system includes a Base Station (BS) 101, a Wireline Network 105, and three Mobile Stations (MS) 102, 103, and 104. The BS 101 is connected to the Wireline Network 105. The BS 101 communicates with MS 102 via a radio link 107. The BS 101 communicates with MS 103 via a radio link 108. The BS 101 communicates with MS 104 via a radio link 109. The MS 102, 103, and 104 are also connected to each other via a radio link 106.
